

ISA Board Conference call

3pm August 6, 2020

Present: Craig Rowland, Ben, Shaun, Richie, Rick, Paul

The purpose of the conference call was to discuss our position as a result of the Idaho Coalition Against Sexual Assault and Domestic Violence's endorsement of the Moment of Truth position paper.

After a discussion regarding the association's disagreement with the Coalition's endorsement and various reasons why, the board reviewed ICOPA's letter ending their relationship with the Coalition. The board was in agreement with ICOPA's letter. Ben motioned, Paul seconded to send a similar letter to membership ending the association's relationship with the Coalition. Motion passed. That said, sheriffs will still support programs that work towards ending sexual and domestic violence. Ben Wolfinger volunteered to draft the letter to be sent.
